FOR AN ORDER AUTHORIZING) MISC. NO. 12-186

MOTION TO UNSEAL

The United States of America, by and through its attorney, the United States Attorney for the District of Columbia, respectfully moves this Court to unseal the above-captioned application, order and related paperwork. As set forth in the Government’s motion to seal the application, granted by Magistrate Judge John M. Facciola on March 23, 2012, sealing of the application as well as the accompanying order and related paperwork was necessary in that it concerned and was part of a continuing investigation and its release at that time endangered the course and outcome of the investigation. Since the Court’s Order of March 23, 2012, however, law enforcement officers have completed certain portions of the investigation previously in danger of spoliation.

WHEREFORE, the Government requests that this Honorable Court order that the above-captioned application, order and related paperwork be unsealed.

Respectfully submitted,

RONALD C. MACHEN JR.
