RE: FOIA Request No. (17-01016-F)

Dear Ms. Dudley:

This is the final response to your request dated February 16, 2017, requesting information pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. § 552. Your request was received in the FOIA Service Center (FSC) on February 28, 2017, and was forwarded to the Office of Civil Rights within the Department of Education (the Department) for any responsive documents they may have.

You requested:

1) A list of institutes of higher education that have been, or are currently, under DOE OCR investigation, from 2013-present.
2) The list should include both 1) the open investigations; and 2) those that have concluded ie, with resolution agreements.
3) The list includes the names of such schools.

Enclosed with this letter is a PDF containing 36 pages of fully releasable documents that are responsive to your request.

Provisions of the FOIA allow us to recover the costs pertaining to your request. The Department has concluded that you fall within the category a "an all other use requester." However, the Department has provided you with this information at no charge. The Department's release of this information at no cost does not constitute the grant of a fee waiver, and does not infer or imply that you will be granted a fee waiver for future requests made under FOIA to the Department. Because we were able to locate and process these documents at minimal costs, they are provided to you at no cost.

You have the right to seek assistance and/or dispute resolution services from the Department's FOIA Public Liaison. The FOIA Public Liaison is responsible, among other duties, for assisting in the resolution of FOIA disputes. They can be contacted by:
